

# Kitchen Witch Craft

Bring good luck to your kitchen by hanging up this spooky decoration.

1 Cut out the witch along the dotted lines.

2 Trace it onto a piece of cardboard or paper plate. Cut out the cardboard.

3 Glue the witch to the cardboard.

4 Print out a second witch, cut it out, and glue it on the back.

5 Punch out a hole at the top. Thread with string and hang in your kitchen.
