CLEANING SOLUTIONS YOU CAN MAKE!

ALL-PURPOSE CLEANER

Use this spray on counters, sinks, gunky toys, you name it. Spritz it on and wipe it off with a damp cloth.

2 cups
water

+

½ cup
rubbing
alcohol

+

1 tablespoon
liquid
dish soap

FLOOR CLEANER

Mix the water and vinegar in your bucket, or pour into the reservoir of your spray mop. If you don't like the vinegary smell, add up to ½ cup of lemon juice.

1 gallon
warm water

+

1 cup
white
vinegar

+

lemon
juice
(optional)

SHINY SURFACE CLEANER

Use this spray on windows, mirrors, and other shiny surfaces around the house. Wipe it up with a cloth—or old newspaper! Be sure to shake it up before each use.

2 cups
water

+

¼ cup
white
vinegar

+

1 tablespoon
cornstarch

SINK & SHOWER SCRUB

Scrub away dirt and soap scum in a flash! If the mix is too dry, add water. Too wet? Add baking soda. Rinse with water. Store in an air-tight glass container.

1 cup
baking
soda

+

¼ cup
liquid
Castile
soap

+

2 tablespoons
water
